

## Beam160IR

### Power:

Active PFC electronic Power  
100-240 V 50 60HZ

Maximum power 130W

### Optics:

Beam angle: 5 degree

85% optical efficiency

85mm optical PMMA efficient

### Light source:

60W 4in 1 rgbw osram LED

Light output: up to 1800 lumens

Luminous intensity: 180000CD

Life: up to 50,000 hours

### Movement

X-axis: 360 degree No-limited

Y-axis: 360 degree No-limited

8/16 bit resolution

0-100% linear dimmer

Dimmer with flicker free

### Color

4 colors RGBW mixing

No noise

Saturated colors and soft tones preset

Temperature warning

### Control

DMX512

Master-slave/auto/sound control

2 DMX mode selection (15/17 ch)

size:22\*22\*27cm

Gw:7kg/pcs
